About the Institute

N S S College of Engineering, Palakkad is one of the most reputed, premier engineering educational institution in Kerala affiliated to APJ Abdul Kalam Technological University. It was established in 1960 by Nair Service Society under the leadership of late Bharatha Kesari Mannathu Padmanabhan, during the second five year plan with the assistance of the Central and State Government under the grant-in-aid scheme. The college has an enviable heritage and legacy of grooming brilliant engineering professionals who later made their mark in industrial and other sectors of the country and abroad. At present, the institution offers B.Tech degree courses in six branches and M.Tech degree courses in Communication Engineering, Power Electronics, Computer Science & Engineering, Structural Engineering, Computer Integrated Manufacturing, and Biomedical Engineering. The College is an approved research centre of APJ Abdul Kalam Technological University.

Situated in NSS Nagar at Akathethara, 9 km from Palakkad town, the Campus is easily accessible, being only 4 km from the Palakkad Railway Junction, and is only 5 km from the renowned Malampuzha Gardens. Spread over 125 acres, the college includes an administrative block, separate blocks for each department, a library block and four hostels including one for ladies. Nestling among verdant foothills, the institution is a tranquil and serene setting for higher education.

Our Vision

To achieve excellence in technical education through determined learning and research inculcating values and shaping socially responsible professionals.

Our Mission

- To impart technical competence to face present & emerging challenges towards building sustainable and quality living.
- To inculcate spirit of research, innovation and entrepreneurship through decisive learning
- To foster a culture conducive to the well-being of society through ethical and professional practice.

About the IQAC

Internal Quality Assurance Cell (IQAC), functions as an internal mechanism within the institution with the primary goal of enhancing the quality of education and overall institutional performance. IQAC focuses on the identification of areas of concern, establishment of benchmarks, and creation of plans for ongoing enhancement in various aspects, including teaching-learning, research, infrastructure, governance, and student support services. Furthermore, IQAC is tasked with ensuring the institution's adherence to quality standards set by regulatory bodies and accreditation agencies. IQAC plays a pivotal role by aiding institution in preparation for accreditation reviews and ensuring their sustained compliance with the required standards post-accreditation.

About the FDP

The Faculty Development Program on Accreditation and Quality Assurance under the National Education Policy, is designed to provide a comprehensive and targeted initiative for academic professionals. This program aims to equip faculty members with the knowledge and skills necessary to meet the evolving accreditation standards and uphold the principles of quality assurance outlined in the National Education Policy. This program aligns with the broader goals of the NEP, which seeks to transform and revitalize the education system in a comprehensive manner. Participants will gain a deep understanding of accreditation standards and processes, fostering a culture of continuous improvement within the academic institution

Eligibility

- This FDP is open to staff members of NSSCE

How to apply

Applications are to be submitted online through the link given below on or before 22-01-2024. <https://shorturl.at/agInU>

Resource Persons :
Eminent faculties from reputed academic institutions

Course Outcomes

- To analyze the alignment of accreditation and quality assurance practices with the objectives outlined in the National Education Policy.
- To demonstrate the ability to document and maintain records related to accreditation and quality assurance.

- No registration fee for the course
- E-Certificates will be issued to all the participants
