9. Organizational Chart

:

10. Student feedback mechanism on Institutional Governance/ faculty performance

A dimensional feedback mechanism is followed as a feedback mechanism for the students / faculty.

1. **Group Tutor mechanism**:- Students of one class of a branch is controlled and guided in all sense (academic or non- academic or personal matters) by each faculty member of the concerned branch up to the 8th semester. In branches like Civil, Mechanical and Electrical and Electronics engineering; half of the students of the class will be controlled by one faculty member. Before commencing each semester the group tutor will co-ordinate a parents meeting to get feedback from/to the parents.

2. **Class Committee**:-At the beginning of each semester the Head of the department will take

necessary steps to form a class committee for each class.

Members: - Head of the Department

Group tutor

A senior Faculty member of the Department.

Three Student members (one member must be a girl)

Committee will meet at least twice in a semester. Review the academic progress and other matters like discipline and regularity of the students. Class committee will report to the Head of the institution.

3. **Students Evaluation of faculty members**:-

The students of each class will evaluate the faculty members taking classes in their own class as per the standard questionnaire of the AICTE, at the end of each semester, under the supervision of the Head of the department. Head of the Department will co-ordinate the suggestions of the students and discuss with corresponding faculty member, so that they can get the feedback from the students.
