ABOUT US

NSS College of Engineering, Palakkad, established in 1960, is one of the leading institutions in the field of technical Education in Kerala. This Government aided, Nationally Accredited institution is situated in the enchanting foothills of the Western Ghats and is accessible in the easiest way with 9km from Palakkad town and just 4km from the Palakkad junction Rail-way station. The institute has well equipped laboratories and highly qualified faculty members with a broad spectrum of specializations. The institute strives to groom professionals of high standards catering to the global need.

OBJECTIVES

Considerable research is going on in Sensor Technology, Smart Instruments, Intelligence in Control, Automation and Process Control. Latest technologies have been used in developing efficient and intelligent controllers. It is expected that this conference which is the THIRD edition of a Series of Conferences titled “**INSTRUMENTANIA**” will provide a common platform for practicing engineers and those engaged in research and development for closer interaction and exchange of ideas.
