Meeting Started at 11 AM

Chairman Governing Body of the College Sri. G. Sukumaran Nair chaired the meeting.

The meeting started with a silent prayer and Acharya anbumaranam. The Principal welcomed all members to the meeting.

The minutes and action taken report of the 66th GIB meeting was presented by the Principal and the GIB approved the same.

The Principal presented the annual report of the academic year 2024-2025. The Governing Body approved the same.

The additional Secretary enquired about the status of the permanent faculty appointment and asked the reason for not initiating the steps for giving notification. Principal reported that a total of 50 posts are lying vacant during last few years and he expressed the concern that the lack of permanent faculty is seriously affecting the academic atmosphere of the College. The delay is due to the problems associated with the reservation of differently abled people. The additional secretary suggested that the steps to recruit the permanent faculty positions is to be initiated at the earliest preferably before the coming academic year. DTE also supported the same and offered all support from the Government side.

The DTE strongly recommended to use the PD fund for developmental activities of the College. The University representative asked about the measures taken for natural resource conservation. Principal explained that college has constructed a water pond for rainwater harvesting. The one of the members asked about the placement status and suggested that five I Companies and more companies working on core engineering areas also to be invited to the college for placement activities.

The DTE enquired about the status of current M.Tech courses and change in the nomenclature of existing courses. He also suggested to give publicity for M.Tech courses to attract more applicants and to have closer tie ups between the college and industries around.

The DTE explained the importance of Industry on campus and suggested that initiatives may be taken for this, if terms are agreeable to the management.

Honorable Chairman GTB expressed concerns about the delay in sanctioning permanent faculty positions. Chairman appreciated the valuable suggestions and discussions from the part of GTB members and offered to take further steps based on their valuable inputs.

Principal expressed gratitude to all Governing Body members for their valuable comments which will definitely help out college to reach top position in future.

The meeting concluded at 12.20 PM.
