
Institution's Innovation Council (IIC) 2024-2025

The Institution's Innovation Council (IIC) is a unique initiative of the Ministry of Education's Innovation Cell, distinct from other existing models. It is designed to streamline and strengthen the innovation and startup ecosystem within Higher Education Institutions.

IIC functions as a council of faculty, experts, and students, conducting a variety of activities throughout the year to foster innovation and entrepreneurship. Its primary objective is to equip students with essential skills such as critical thinking, design thinking, innovative problem-solving, and an entrepreneurial mindset.

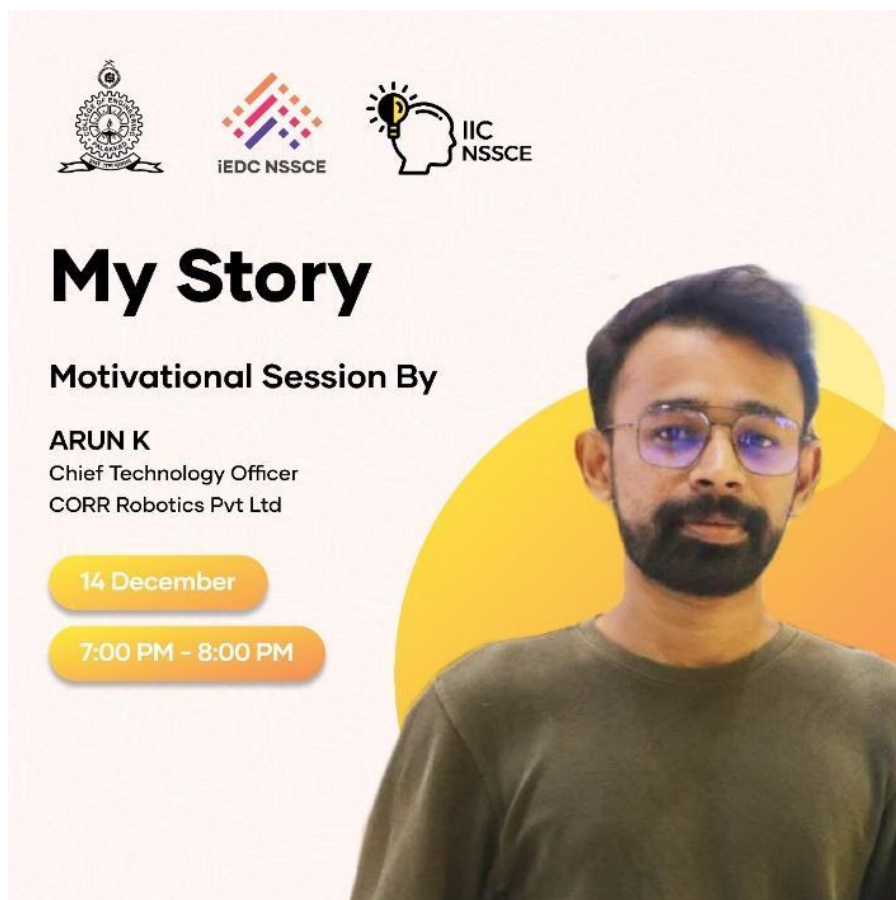

YUKTHI National Innovation

Yukthi Innovation is an initiative under Institution's Innovation Council (IIC) aimed at fostering creativity, problem-solving, and entrepreneurial thinking among students. It serves as a dynamic platform where innovative ideas are nurtured into practical solutions through brainstorming, mentorship, and hands-on experimentation. By encouraging interdisciplinary collaboration, Yukthi Innovation empowers students to address real-world challenges, develop prototypes, and translate their concepts into impactful outcomes. This initiative aligns with IIC's mission to promote a vibrant innovation and start-up ecosystem within the campus.
